NEXT CLUB MEETING THURSDAY APRIL 20 2006
8.00pm AT THE CLUBROOMS FITZGERALD STREET NORTHAM

The following Articles/Editorials are published as received and are not necessarily the views of the AVVVA. Deadline for articles: Last day of the month

FROM THE PRESIDENT

On March 5 a group of members travelled to York. On arrival we visited the home of Mark & Jenny Matthew where we were served a delicious morning tea and had a look at their immaculate collection of vintage and classic motorcycles. You have to appreciate the work that goes into the restoration of these machines and maintaining them in top condition.

After a picnic lunch in Avon Park some members visited the York Motor Museum.

Later in the afternoon we visited the home of Graeme & Carol Fisher and were served a delicious afternoon tea and saw their collection of Indian Motorcycles all immaculately kept in a purpose built shed.

Our thanks go to Mark & Jenny and Graeme & Carol for their hospitality on the day.

Those who took part were: Jeff Mills and son William in the Clubs 1965 Austin Sprite, Gerard Antione 1965 Austin Sprite, John King & Phil Chapman 1969 Falcon, Frank Tonga 1938 Chev, Bill & Phyliss Keirz 1979 Ford Marquis Mick & Roma Oliver 1954 Austin A30. Travelling in Modern vehicles were: Allan Hicks, Sandra Ferguson, Kevin Christmass, Isobel Keayes, Chris Hasan and myself.

A pleasant day was enjoyed by all who took part.

JIM DONOVAN.....President

FROM THE SECRETARY

As mentioned previously, we will need to have all membership fees, advertiser's fees, machinery insurance and concessional licence fees in on time this year. The DPI is not going to tolerate late returns, so Andrew Wells will send ours in by July 2006.

As it nears the end of the financial year our Annual General Meeting is not far away. As

always, all positions are vacant. I have been 'fill in' Secretary for 2 years not but see that this is not finding a replacement Secretary.

As some members have said a replacement will be easy to find so I will not continue as Secretary after the AGM. The Club still has an ongoing problem of a lack of volunteers for the many tasks that the membership want done each month.

A recent task given to me sums up the problem: Quote "Here is this information on the job for you but I do not want to have anymore to do with it" unquote.

What ever happened to "I have this job for you and I know you are very busy, so would you like a hand?"

Maybe that was just a dream I once had a long time ago when people helped each other.

MOVE WITH THE TIMES??

Article Borrowed from Restored Cars Jan/Feb 1906

In reply to a letter asking where have all the pre WWII Cars (pre 1939) gone from Car Shows, Runs and Car Magazines? Eddie Ford of Restored Cars replied:

"People usually enjoy cars of their youth. The Valients, Holdens and Falcons of the 1970's are enjoying the same admiration from a new band of youthful restorers. In many cases vintage cars have outlasted their owners. Today's younger restorer has no connection with pre WWII cars or even cars from the 1950's and 1960's. Magazines must move with the times and cater for the newer younger restorer as well as the older restorer."

We also note Car Clubs also must move with the times too, to attract the younger members.

(AVVV Secretary)

Classic Touring 2006

September 9th-16th

Hello everyone- hope the New Year is treating you well!!

After a lot of thought and a few meetings we have decided not to go camping this year (for numerous reasons)- we have organized a trip through the Wheatbelt

Finding accommodation for all of us has been a challenge but we think we have it all sorted out.

Because of the wildflower/field days/show season we need to BOOK NOW- we realize that its hard to make that decision now but sorry it has to be done.

What we need is a reply as to whether you are interested in coming ASAP. So that we can book

This is the basics of the trip- we are still to finalise some details and fill in other days

September 9th Saturday- leave Midland for **York-** York Ag Show- maybe display our vehicles- Accomodation- Castle Hotel

Sunday 10th Merredin Stay at Merredin Caravan park

Monday 11th Merredin Visit local rocks/wildflowers - Chinese Flying School and CBH

Tuesday 12th Travel to Hyden.. Stay at the cottages on the lake (not sure of name)

Wednesday 13th Hyden- Visit Wave Rock and have Theme night and boat races

Thursday 14th Travel to Narrogin via Kulin- See all the Tin Horses at Kulin

Friday 15th Travel to Dwellingup

Saturday 16th Travel Home

We are planning on doing the trip beforehand and finalizing visits to interesting things etc. We have plans for meals together and some fun and games as per normal. Accomodation-sharing is a must at some places (your own rooms but in the same unit/cottage) so work on that please!! We have tried to get cheap rates and to generally keep the cost down. We cannot give you the cost as it depends on numbers but it will be basically the same as past years.

Many Thanks and we look forward to your early reply... (we really do need to book now so please take this seriously!!)

Bridget Hogarth, Bob Bellamy and Lyle and Janice Metcalf

Re: Concessional licensing scheme

Dear Secretary

In conjunction with processing the 2004/2005 returns, the Department for Planning and Infrastructure (DPI) has conducted an audit of vehicles registered with concession code 404.

The audit resulted in approximately 600 vehicles being identified as non-compliant with Licensing Information 5/2001, which sets out the requirements for vehicle owners participating in the concessional registration scheme.

DPI will be writing to the owners of these vehicles in March 2006, requesting that they comply with the requirements of Licensing Information 5/2001, otherwise their vehicle registration will be returned to full rates.

It is possible that the owners of some of these vehicles may indeed still be members of an approved club, and wish to demonstrate that they intend to retain the concession on their vehicle.

In the letter DPI sends to the vehicle owners (a copy is attached for your information) we request that should they wish to retain their concession, **they must contact the secretary or registrar of their club**, who then must advise DPI in writing that:

- (a) The person concerned is a bona-fide financial member of the club; and
- (b) That the person concerned provides an assurance that they will comply with the requirement to have their vehicle inspected by the club for the 2006 return, which is due on 31 July, and yearly thereafter.

If DPI do not receive any advice from you in respect of these persons, their vehicles will be returned to full rates in May 2006.

Yours sincerely
