Position of Secretary

At the recent Annual General Meeting, the position of Secretary failed to attract a nomination.

Consequently we now need a club member who is able to attend most meetings, to come forward and undertake the Secretarial duties which consist of:-

1. Collect all mail and distribute as required.
2. Attend meetings to –
 - a) Record minutes
 - b) Read correspondence
3. Action inwards and outwards correspondence as necessary.
4. Perform duties as assigned by the President.

There is an amount of \$750.00 paid to offset expenses.

Other Executive Officers will provide assistance if required.

The Club needs a Secretary to operate efficiently so please step forward

Please contact: Stan Eastwood – Phone 9574 4462
junestan@bigpond.net.au

NEXT CLUB MEETING - THURSDAY August 21st
8.00pm AT THE CLUB ROOMS FITZGERALD ST NORTHAM

The following Articles/Editorials are published as received and are not necessarily the views of the AVVVA.

Deadline for articles: Last day of the month

FROM THE PRESIDENT

The Annual General Meeting has now been held and the new financial year begins.

I was elected as your chairperson and look forward to a good year working with the members that were elected to the various positions within the car club.

Although the position of secretary was not filled I am hopeful that someone will come forward in the near future. This is a very important position and needs a person who is dedicated to the car club. Please give this some thought and come forward if you feel you can fill this position.

Our next Club outing is to the Beverley Show on the 16th Aug and those attending will assemble at the club rooms and depart at 8.30 am.

Please note that the busy bee scheduled for the same day has been cancelled and will take place on the following Saturday, 23rd Aug.

Club Events

1 Beverley Show is on Saturday, 16th August, 2008. Expect nine vehicles to be displayed, from the members present. Stationery engines will also be on display. Meet at the Club rooms and depart at 8.30am as a group.

The use of the newly introduced Events Attendance Sheet was successful. Thank you for your support.

2 The Club is keen to support the Mt Helena Community Day on 26th October, 2008. At least six members were interested in displaying their vehicles. Numbers for those people wishing to attend on the day need to be forwarded to the organisers – please contact Hazel if you are interested. Ruth Ireland is to follow-up with the curator of the museum.

Moved: Stan Eastwood, *Seconded:* Allan Hicks
Carried

3 Northam Avon Descent – an invitation to participate in the Float Parade. The Club is not going to attend, for two reasons

– Concessional Licenced vehicles cannot drive after dark and the parade moves very slowly and vehicles have experienced clutch problems in previous years.

Shed:

- 1 Allan Hicks reported that the tyre for the motorbike has a new valve core.
- 2 A new tube for the tyre in the Sprite was purchased from Beauforepairs, \$15.00 owed to Allan Hicks.
- 3 Sprite – A quote for the hood on the Sprite \$968.00, from Matt Buttersfield. The door will need to go to Charlie Gustak for repairs.
Motion – that the Sprite hood be repaired as per quote, and the door be repaired by Charlie.
Moved: Phil Chapman, *Seconded:* Jeff Mills
Carried

New Members:

General Business:

* Chairs for the Hospice have been selected - \$160.00 each, plus approximately \$15.00 for a small plaque, a total of \$175.00 per chair.

Motion – that the Club purchases four chairs at a total cost of no more than \$160.00 each, from Thrifty Link Hardware. The donation was to be \$500.00. The excess costs will be recovered from the 2009 Swap Meet.

Moved: Phil Chapman, *Seconded:* Jeff Mills
Carried

* New seat belt laws are to be introduced. Information to be in the newsletter along with an article on the safety of tyres.

* The Club is supporting the Musical Festival in Toodyay on 14th September, 2008. Stan Eastwood to follow up.

* Northam Show needs acknowledgement that our Club is attending. Allan Hicks to contact the Secretary.

BETHAVON VISIT

Members of the AVVVA will be paying the residents of Bethavon a visit on

Wednesday 20th August 2008

Could anyone attending please meet at the front of Bethavon
(107 Duke St, Northam) at 9.15 to 9.30 am

The residents love to see the old cars and perhaps even have a short ride in them.

Vehicles for sale

I am currently preparing for a Clearing Sale (1/10/08) on my farm here at Wyalkatchem. Amongst my accumulated paraphernalia are several old vehicles that may be of interest to vintage car/truck enthusiasts. I am very keen to spread the word of my sale to the vintage vehicle fraternity and to that end he suggested that I contact you. I plan to advertise the items in the Quokka or SundayTimes in due course.

The vehicles are:-

- 1) Chev. 1100 1940s Truck. Complete, shedded and restorable.
- 2) Inter. (Lend Lease) 1940s Truck. Rough but complete, shedded and restorable.
- 3) Ford F600 V8 1950s Truck. Complete, shedded and restorable.
- 4) Inter. 1920s Truck. Engine, Transmission, chassis. Parts!
- 5) Dodge? 1930s Ute. Engine, Transmission, chassis, wooden spoke wheels complete. Parts!
- 6) Plymouth? 1930s Car. Engine and body only (rough). Parts!
- 7) Bedford 1930's Ute. Engine (rough), chassis (converted to fuel cart) but many other parts sheddedParts!

Check Your Tyres

After a fatal accident the British national body, the FBHVC says check your tyres!

And by that, it doesn't just mean checking the tyre pressures and making sure there is enough tread, but making sure the side walls are in good condition and the tyres not unduly old.

Her Majesty's Coroner for Manchester has written to FBHVC with details of an accident that took place last year in which the driver of an H registered MG B lost his life when a rear tyre burst on the M56. Evidence shows that the driver was a skilled mechanic and a careful and experienced driver who was not travelling particularly fast at the time. The car was described by police as being maintained in an excellent condition. The surviving passenger said that just before the accident the driver had commented that a "tyre wobble" had developed and he was going to "drive through it". The wobble went briefly, but then the tyre burst, causing the car to spin, clip a kerb and flip over.

Subsequent investigation showed that – although hardly used – the tyre was 25 years old. It was one of a set of as-new tyres and wheels purchased at an Autojumble the previous year for use for show purposes – at the time of the incident the car was on its way to a show at Oulton Park.

FBHVC included this note in its Newsletter in December 2003:

The Daily Telegraph recently carried a piece in the 'Honest John' column suggesting that tyre age was to become a testable item in the MoT test. We immediately contacted the Department for Transport and were advised that although most tyres already carry dates of manufacture in their side-walls, there are no plans to implement regulations to check such dates at the annual MoT test.

The British Rubber Manufacturers association suggests that if a tyre is six years old and remains unused it should not be put into service. It also suggests that in ideal conditions tyres may have a life expectancy of 10 years. Clearly, if Department for Transport did decide to implement tyre date testing, there would be considerable implications for owners of older vehicles and we would certainly be making appropriate representations.

The moral of the story is not to wait for the government to impose tyre testing on everyone, but to make sure your own tyres are in good condition, never use undated second hand tyres and never try to drive through a "tyre wobble".

Department of the Premier and Cabinet
Government of Western Australia
Office of Road Safety
Our ref: 33063v2

Mr Peter Taylor
Secretary
Council of Motoring Clubs of WA Inc.
PO Box 742
SUBIACO WA 6904

Dear Mr Taylor

Thank you for your letter seeking amendments to the Road Traffic Code 2000 to allow passengers in historical vehicles that do not have seatbelts to be seated in the front row of seats. I understand that the Department for Planning and Infrastructure has written to you on this issue.

As you have indicated, the Australian Road Rules (ARR) were recently amended to allow for new provisions related to child car restraints. These nationally agreed amendments are yet to be approved for inclusion in the local Code, however this is expected to occur before the end of 2008.

It is acknowledged that historical vehicles represent a small proportion of the vehicle fleet and in total exposure to crash risk and that the Code already provides for drivers and back seat occupants of historical vehicles to ride unrestrained. The Office of Road Safety is supportive of an amendment to the Code to allow adult passengers to be unrestrained in the front seat of vintage vehicles. You would be aware, however, that the ARR amendments send a clear message to drivers that younger aged children (less than 7 years) riding unrestrained in the front seat of vehicles is undesirable from a safety point of view.

While the WA position on how this ruling might relate to historical vehicles without seatbelts has not been finalised, the Office of Road Safety is of the view that the principle of no unrestrained young children in the front seats should be applied to all vehicles, regardless of vintage.

Yours sincerely,
Iain Cameron

Mid West Show & Shine Sunday 28th September 2008

It's on again – the fastest growing motor show in Western Australia.

What makes Mid West Show & Shine so different?

For a start, everyone is welcome – no matter what badge is on your pride and joy, there is a place for it in this fantastic celebration of motoring passions with 30 display categories. Every one of them with great prizes and trophies.

Then there is the venue, Maitland Park, in the heart of Geraldton. Its rolling lawns, curved embankments and shady trees make it the perfect place to display your motoring delight.

Run entirely by volunteers, this not-for-profit show day is one of the biggest annual events in the Mid West, and its fourth birthday on 28 September will be bigger and better than ever.

A dynamometer competition, club and trade exhibitions, a live radio outside broadcast, all the glamour of the Miss Show & Shine Quest – **and free public admission all day!**

MODEL A's EIGHTIETH BIRTHDAY DINNER/DISPLAY

Saturday evening 18th and Sunday 19th October 2008

(for all restorers/original Model A's)

The Model A Restorers Club of WA Inc is planning a Celebration Dinner on Sat 18th October to be held in the Jewish Hall, 61 Woodrow Av, Yokine only 300m east of Alexander/Woodrow traffic lights, plenty of on site parking. There will be a Spit roast (wedding Banquet) at \$34.00 per person. Pre dinner, hot nibbles will be served 6.30- 7pm with sit down at 7pm. The theme for the evening is Ford blue and white. A couple of bottles of wine will be provided on each table to begin the evening but it is BYO drinks.

On Sunday 19th October we have a Model A display *now to be held on Burswood Park* which is part of the Casino site. We are aiming for **eighty original/restored vehicles to celebrate the 80 years**. Restored/original and Model A rods are invited. The venue has changed to Burswood because the Mosman Park Rotary Club (fund raising for cancer research at PMH) who conduct The John Hughes Big Walk, heard about our display and asked if we would join them to add an extra attraction for their day. The Walk attracts three to five thousand people, one group leaving at 8.30 and the second at 9.30am. Most walkers return to the Park between 11 and noon to be part of a lucky number draw for a car, donated by John Hughes. Burswood has stipulated that the bulk of our vehicles must be in place between 8.30 and 9am to dodge the walkers heading off. Once in the park area you will be directed to a parking position. The vast grassed area nearest the Causeway will be for public parking. We are asking that each owner has a display board which shows and/or explains a little of the vehicles history and rebuild. Sausage sizzle and drinks available on the day.

As a memento of this Milestone Birthday we are compiling a booklet which will have a **photograph** of each vehicle and a **short write-up** (approx 30 words) on its history. Please mail or email these to **Ray Mahony** – ray.grun@bigpond.net.au – 157 The Strand, Bedford WA 6052, Phone 9271 7630 Mobile 0438 290 446 - who is organising this aspect for us. By 30th August please.

The committee is also planning a sew-on badge which will be appropriate for the eightieth/Model A Birthday, in Ford blue and white, these will sell for \$6.00 each. Please fill in order form section below if you would like one or more. These can be ordered even if you are not attending.
