Moved; Jeff Mills Seconded; Fred Plane That the Financial report be accepted and actions endorsed. Carried

Reports: Shed; Nil
Events; Moved to General Business.

New Members: Nil

General Business:

Peter Cox: Thanked the Club for the Card for his recent sad loss.

He also mentioned that at the last Men's Shed meet, Allan Hicks had suggested some of the men may want to volunteer to help at the Swap Meet.

Swap Meet: A register is being prepared listing the various jobs, times and volunteers on duty. Members are urged to put their name down against a suitable time as soon as possible. A Events Committee meeting has just been held concerning the Swap Meet, and a final meeting and inspection is to be held shortly to check out the status of the venue etc.

Our Club: A broad discussion ensued regarding the direction of our Club. Busy bees at present cover procuring parts and tools and working on Club Cars. This has come about with vehicles being donated with such provisos set to 'do up' as a Club project. What is needed to foster better fellowship in the Club is more Club social events. Club Events/Runs held in 2010 included visits to Bert Hayes, Ted Leagus, Bruce Sharmans, Emu Farm, Bee Honey, Bindoon Museum, John Ivey collection, besides the various other Car events held each year. All most enjoyable with members and family.

During further discussion it was said that the Club is not a Restorers Club. Any future donations or projects should only be accepted without any conditions, and/or to find a caring home. The Club would need to dispose of most of its present projects so as to enable members more time to socialise. Busy bees should be a gathering to attend to more general Club duties, helping each other with member projects and fellowship.

Much food for thought. What is considered a Club social event. How many were held in 2010, was there enough, could any more have been 'fitted in', how well were those events that were held attended by members (indicating more or less needed).

Dave Brinkley: advised his plans have changed, as he is not moving east for probably 12 months. He also has plates, N1937 for sale for a short time.

A Clearing Auction: is to be held of vintage gear, tractors etc, Sat. 5th Feb. Chinganning Rd (off Wariin Rd) opposite El Cabello.

Northam Heritage Forum: Jim Donovan reported that they are still progressing with the Constitution, MOU. The Shire is assisting with water, rates, power, telephone for 12 months from Nov. 2010, till they are self supporting. Shire will be responsible for building maintenance. Should AVVVA pay utilities during this year. Do we have & what is AVVVA Public & Volunteer Insurance.

Flood Light: Often on because of the tree movement. Tree needs trimming.

Parking Area: Nothing more heard from Shire re flood lights. Need to follow up now holiday break over.

There being no further business the meeting closed at 8.50pm.

Presidents Report.

Hi Members,

By the time you read this report the first month of the New Year will have passed. It is all go for the coming Swap Meet in February and I trust that there will be a good turnout of members to help make the event successful as it has been in the past. Please keep this event in mind and let the organiser's know if you can help, we need to know so that a roster can be made up for the duties to be performed such as gate and parking marshal's.

During the year there will be the usual club events so you need to watch the coming events section of our newsletter, the events committee will be posting these as they come up.

I haven't dates but these are some of the events that you need to watch for.

The Classic Car Show at Whiteman Park.

The Moondyne Festival at Toodyay in May. The NHMA Vintage Machinery Rally at Fairbridge.

If you are interested in any of these please inform the events committee.

It was suggested at our last meeting that the club should have more social outings so if you have any idea's as to what bring them along to our next meeting for discussion and that the events committee to consider them for our calendar.

We now have a new Treasurer and the club has set up online banking as this will be more convenient for Theo as he is some distance from Banking facilities, thanks Theo for accepting this position.

See you all at our next meeting which is just before our Swap Meet.

President Stan.

NORTHAM VINTAGE SWAP MEET

Moondyne Festival Committee

PO Box 292
TOODYAY WA 6566

07/01/2011

To the Avon Valley Vintage Vehicle Association of WA

Re: Club Participation in Moondyne Festival

The Moondyne Festival is an annual festival held in Toodyay on the first Sunday in May. It is a highly regarded festival celebrating the life of Moondyne Joe, Western Australia's only bushranger. Moondyne Joe's main claim to fame was his ability to escape prison, despite a special reinforced cell having been constructed to keep him in.

Attractions include family fun fair, street theatre, re-enacting the antics of Moondyne Joe and his subsequent capture and trial, moustache competition, cleavage competition, many varied stalls, art exhibition, bootscooting, woodturning, and much more.

The road is closed from 7.30am for the general public.
7.30am – 9am set up time for club vehicles on display.
9am – 4.30pm no vehicle movement within Road closure area except for the parade.

The Committee of the Moondyne Festival invites your car club members to proudly display their vehicles at the Moondyne Festival on Sunday 1st May 2011 in Stirling Terrace, Toodyay.

We would like your cars to be on display from 9.00 am – 4.30pm. During the day there will be a vehicle parade showcasing **one vehicle** from each club, and we invite your participation in this parade displaying your club logo or flag.

Please notify us of your intentions by 1st March 2011.

Regards,

Jasmin Devlin
