President's Report

Hi Members,

Firstly I would like to apologise for missing the last newsletter, I forwarded my report a little late to be included.

The Radio West Poker Run was held on Sunday 6th June which had ninety six entrants register to take part in this event. The day was fine and saw the first car start at 9.15am to lead the way to the first check point where each contestant received a playing card.

Next stop was at Meckering to receive your next card then onto Goomalling. Having collected your third card the journey then continued to the Jennacubbine Tavern. At this point the fourth playing card was received and everyone stopped for lunch.

After lunch the contestants proceeded on to Toodyay and Classic Cars as the fifth point to receive their last card for the day before returning to Northam to finish at the Northam Workers Club where everyone assembled to hear the results of the day and the several awards. The day finally finished with an Auction of donated goods. The proceeds of the day were to be donated to the Princess Margaret Children's Hospital.

I am sure that Radio West would be delighted with the success of the day and that everyone who participated in the event would have enjoyed a delightful days outing.

Several members and their vehicles contributed to the day and I thank John and Hazel King for their contribution towards coordinating the day with Radio West.

Saturday the 26th June saw a good attendance of our members at the Northam Country Club to celebrate the 25th anniversary since its foundation.

The members enjoyed an excellent dinner and I thank the venue Manager for making the Country Club available to our club and providing an excellent menu.

Thanks must go to Dave Lucas who was the Master of Ceremonies for the evening, well done Dave. My thanks also go to the committee responsible for our very successful celebration dinner. Special thanks are in order for Sylvia and Barry Bristow-Stagg for their major contribution towards making it such a success.

Not forgetting Deanne our secretary who did the research in producing the first ten years history of the clubs activities.

Thank you Carmel for again making a generous donation to our club, it was nice to see you and your friend in attendance at our dinner. It was also nice to see the daughter of our foundation President and her husband attending our dinner.

The club has had a new car badge struck to mark this occasion and was available at our dinner for \$25.00 if you would like one of these; please contact the club. Also new name badges are to be ordered so please let the secretary know if you require one of these.

The Events committee has also had a meeting to investigate possible places of interest for the club to visit so please watch the clubs events listings and let the club know if you would like to attend any of these outings.

I look forward to seeing members at our next meeting on the 15th July which will be the annual general meeting.

Cheers to all, President Stan.
