#### General Business:

1. Letter from Job Futures:  
Letter was read to all in attendance. Due to the importance of the matter, the letter has been reproduced in full:

May 17 2005

Dear Committee members and members:

Hi All

Since on of our first meetings, back in January 20 2005, there has been a lack of effort in for filling any requests by Job Futures and myself. Her is a couple of jobs completed so far,

A. Repair and strengthen the double-sided bookcase in the library.

B. Loosely lay, cut and join the carpet in the long room and secure to the floor in the doorways with proper strips.

The laying of the carpet was a deal worked out with your members, for the use of the back room as an office for my staff.

The deal was made at the meeting on March 17 2005. We had to secure the carpet in the long room so that you could move everything out the back room before we moved in ie plaster, repair, pain (you choose the colours) and make curtains for the windows.

We had the carpet secured down within a couple of weeks. I then informed one of your members on completion.

I attended the next busy bee, held on April 16 2005. I was told then that we would not be having the back room, as you could not find enough space to hold everything from the back room.

On the same day, I spoke with the President, Jim Donovan. Jim came up with another idea. All we had to do was to build a room, by adding 2 walls on the outside of the long room, where the old fridge is situated, (see photo). The room would have a doorway (but no door) and will be protected from the weather. We also were going to make shelves, for the junk.

I agreed with Jim, that this would be a good idea, so I had my carpenter start on the framework.

I was told after the last meeting held on April 22 2005 that there were too many that opposed the idea.

Could we, from now on, have all agreements in writing, so that there is no confusion?

Sincerely

Craig Gordon

Project Manager

Wheatbelt Job Futures

Colin Campbell addressed the meeting expressing his concerns.

Phil Chapman strongly opposed the idea and gave his reasons.

Ron Morris addressed the meeting outlining his support.

Lianne Dunn addressed the meeting outlining her support.

Due to the sensitive nature of the matter, Ron Morris moved that the matter be advertised in the

Newsletter and voted on/or discussed at the next meeting held in June 2005.

2. Honour Board: Ron Morris outlined ideas for the setup of the honour board. President, Vice Pres, Sec & Treas to be listed along with Life Members. Details all known Executive Committee Members. Asked for feedback/changes from members at the meeting.
3. John Lommas requested if anyone was interested in providing a wedding car. John King would make contact with the people concerned.
4. Colin and Phil next busy bee day a few volunteers to set out the memorabilia in the long room. June 11 2005.
5. An old garden shed or similar required for students at the Northam Residential College to house chickens in. Wanted add to be run newsletter.
