Moved; Theo Bekkers (J) ...Seconded; Jeff Mills That the reports be accepted and actions endorsed. Carried

New Members: Nil

General Business:

Swap Meet: Stan reported that there was only one phone call with offer to help, Frank Lewis.

Stan has a roster worked out in general, covering Drinks, Gate, Trailers, Parking. Members present confirmed their 'jobs' for the day, including a few other members and young ones from the Hostel.

The Chidlow Street gate the only entry, with Sellers & Displays directed to the Oval, the public directed to the gravel area-Chidlow Street side. There will be a meeting at the Oval on Saturday @ 11am, Footy Club rooms for a final liaison.

Kellerberrin-Australia Day: Old Holdens, restored cars & a sausage sizzle. Jeff Mills reported that this event was good. Dowding Motors now changed with new owners, Marek Bros Relics. The restorations used to be carried out in Rockingham, but due to too much noise for neighbours, restorations are now done in Kellerberrin.

Our Club: Appreciation was expressed for the article in last Month's Minutes as it voiced the thoughts of some members.

AVVVA Constitution: In general as it stands our constitution is okay. Fred advised that for some time now members have raised the question as to what constitutes a membership for a Car Club. The Constitution was sent to Fred Belford, a J.P. to have this issue checked.

Accordingly although Rule 7 is quite clear, Rule 11.(a) could also be included. The Club needs to either make an amendment or at least pass an exemption at the next AGM. If Rule 7 (a) (ii) is to be followed the wording should be – I/we apply (and both should sign).

The spouse should pay annual membership fees (this could be made a 'reduced amount' or waived in the terms of Rule 11 (a) – again there should be a motion passed accordingly.

Re: Our Club Having not attended the last meeting Bert Hayes urged the Club members to take a serious look at the Club and its direction by attending one meeting night for this purpose, even draw up a contingency plan. Write it all down, even brainstorming. All members with any ideas etc to come or email input, covering their interest, family friendly, anything.

Moved .. Bert Hayes .. Seconded ... Jeff Mills –

That the April meeting be held as a thinktank night for this purpose, with another meeting held to formulate ideas. Carried

Vandalism @ Old Northam Station: Sylvia reported that on Friday 4 Feb she was called by the President of Northam Heritage Forum to turn off the water meter main. The reason being that young children had wrenched the tap from the wall, twisted the pipe until it cracked & leaked profusely. Until the break in the pipe was fixed the meter would be off. Meanwhile, Members who may use the Clubrooms were advised of the situation if the need arose to use water while there.

There being no further business the meeting closed at 9.40pm.

President's Report.

Hi Members,

Once again our club has had a very successful Swap Meet. I am not sure of the exact number of stalls that were there, a rough count was taken and 131 were counted. Our Swap Meet has become a great day out for families as there is something for mum, dad and the kids to be had.

Many thanks to all the members who helped on the day and a special thanks to the Men's Shed members who assisted with the gate and parking along with the Residential College Students who also helped. Your input to the day made the whole operation run smoothly and we were able to have the bulk of our stall holders on site in an hour, so well done everyone. I am sure that the students and staff from the Residential College who ran the sausage sizzle would be pleased with their day out as I was told that they ran out of supplies and had to make a dash to replenish, as many were still requiring something to eat. Thank you to the students who manned the sausage sizzle, I am sure that you will all benefit from the experience.

Thanks go to the members who kept the cold drinks supply up. Although it was a cooler day there were still a lot of drinks sold.

On our home front, I draw your attention to the events that will be coming up for this year. These will appear in our newsletter as they are scheduled so please take note of these and let the committee know which ones you would like to be involved in. The more the merrier for a day out that can be called a success.

From the events calendar you will observe that the club is doing its best to bring in more social events with our members so please take note and be involved in events that the committee are organising for your benefit, after all it was you people that requested more social events, so it will be you who make these events successful.

Lighting Update

Hi All

Just to let you know that Phil Steven has just emailed me to let me know that the lighting has been done on the building, and I am to let him know if there are any problems.

Apparently it is sensor lighting, don't know at this stage how much or many. Graftons must have contacted Phil Chapman again for entry, so must thank him for attending.

Cheers

Sylvia

Re: Club Participation in Moondyne Festival

The Moondyne Festival is an annual festival held in Toodyay on the first Sunday in May. It is a highly regarded festival celebrating the life of Moondyne Joe, Western Australia's only bushranger. Moondyne Joe's main claim to fame was his ability to escape prison, despite a special reinforced cell having been constructed to keep him in.

Attractions include family fun fair, street theatre, re-enacting the antics of Moondyne Joe and his subsequent capture and trial, moustache competition, cleavage competition, many varied stalls, art exhibition, bootscooting, woodturning, and much more.

The road is closed from 7.30am for the general public.

7.30am – 9am set up time for club vehicles on display.

9am – 4.30pm no vehicle movement within Road closure area except for the parade.

The Committee of the Moondyne Festival invites your car club members to proudly display their vehicles at the Moondyne Festival on Sunday 1st May 2011 in Stirling Terrace, Toodyay.

We would like your cars to be on display from 9.00 am – 4.30pm. During the day there will be a vehicle parade showcasing **one vehicle** from each club, and we invite your participation in this parade displaying your club logo or flag.

Please notify us of your intentions by 1st March 2011.

Merredin Show Saturday 16th April 2011

Merredin and Districts Agricultural Society
PO Box 671
Merredin WA 6415

Dear President

The Merredin and Districts Agricultural Society would like to formally invite members of the Avon Valley Vintage Vehicle Association to take part in a Vintage Car Display at the annual Merredin Show on Saturday 16th April 2011.

Each year the Merredin Show Committee present Merredin and surrounding communities with a fun-filled family event. The Show comprises of many stalls, side shows, rides, entertainment, displays, and even World Record attempts.

In 2010 our Vintage Car display attracted approximately 40 vehicles and commenced with a parade through the main streets of Merredin, followed by an all day static display at the showground. The vehicles displayed were presented by local car enthusiasts that do not have a current outlet for exhibiting their pride and joy. We hope, that this year, we are able to attract vehicles from the wider community in order to recognize the large amount of people interested in restoration and preservation of vintage vehicles.

With around 3000 people attending the Show last year, we believe our event is the perfect place for Vintage cars, and their owners, to gain the recognition they deserve. It presents an opportunity for your Association to increase your membership base as well as broaden connections for all involved.

We hope you see this as a positive experience for your Association and look forward to hearing your response in the near future.

Yours Sincerely

Tim Newton
