### FROM THE PRESIDENT

The members who took part in the Merredin and Nungarin Run on April 3/4 enjoyed a pleasant drive via Quairading and Bruce Rock. First stop was a visit to Norm and Carol Veitch's home for a delicious morning tea and a look at their collection of vintage vehicles. Then to the Quairading Restoration Club where the members provided a sausage sizzle lunch and a fine display of old tractors and vintage vehicles. After a visit to the Merredin Military Museum we set up camp at the Merredin Caravan Park where Paul and Sue Bartlett put on a lavish barbecue meal in the evening and big breakfast in the morning, which was much appreciated by all on the trip. On Sunday morning we travelled to Nungarin for the street markets and a visit to The Heritage Machinery and Army Museum. ### TOODYAY MOONDYNE FESTIVAL

What a great day this was on Sunday May 2. The fine weather brought a large crowd. It seems to get bigger every year with heaps of attractions and all sorts of entertainment. ## FROM THE SECRETARY

Thanks to Lyle & Janice Metcalf for the excellent run to Merredin. The overnight stay at Merredin seems to have been well received by all members. Another weekend run is planned for June 5 & 6. This time based overnight in Northam. The AVVVA is catering for this so see this Newsletter for all the details on the event & meals and see how you can help this event run smoothly. While on events I must repeat that last month's statement on coming events. *"All information regarding coming events is reproduced in the Newsletter. Last minute phone calls are generally unproductive"*.

The events' person needs time to check any event details. Many contact phone numbers we are given are work not home numbers. In other words if the information is limited it is all the AVVVA has been provided by that group. So if you know more about an event, please drop us a line and we will update our events calendar. If you need more information then see what you can find out from your local sources. That will help lighten the load on the committee members. The AVVVA also has a phone at the AVVVA rooms. Phone on 96223622. A fax and answering machine will soon be connected to that number.

The AGM is only 2 months away (July). Please consider what positions you may be able to take on. This enables us to stay fresh and gives other committee members a break. As mentioned previously, I will be

away in 2005 so one way or another a new Secretary will be required, hopefully sooner than later.

## NOTICE TO AVVVA MEMBERS

The NMHA has provided the AVVVA with the latest safety guidelines regarding fencing to which there has been no change. The AVVVA has previously had the machinery fence checked by the President of the NMHA and it met the safety requirements of the NHMA. This ruling is therefore still current. No further action by the AVVVA.

## NORTHAM RESIDENTIAL COLLEGE
