#### *Event Organizer*

Allan Hicks reported on

- • Theo's Run to Dowerin – three club members are attending.
- • Moondyne Festival at Toodyay is on 4<sup>th</sup> May, 2008.
- • Arrangements are being made for a day in Toodyay. More details to follow soon.

### *Shed Report*

Jeff Mills reported that a further seven vehicles were passed at the recent Concessional Licence Inspection day.

### **New Members**

Welcome to Arthur McDonald, Thomas and Alan Tyack, and Scottt Whitesed.

Arthur's interests are in BSA motorbikes, years 1952 and 1949.

Scott owns a 1972 Holden.

### **General Business**

- • A request for a budget, for the next twelve months, to be prepared by the Treasurer and presented at the next meeting.
- • The rope on the flagpole is very worn and needs replacing. The flag was donated to the Club by Max Trenorden and Judy Moylan. Suggested we raise the flag on busy bee days. Allan Hicks to purchase the rope and Jim Donovan will replace the rope.
- • Men's Health Week on 12<sup>th</sup> June, 2008. A number of members have offered their time and car, to provide transport to the concert. A few more vehicles would be much appreciated. Please contact Jim if you can assist.
- • Bethavon is to be contacted to try and arrange a day out with the Senior citizens. Judging from previous years, at least five vehicles will be required on the day. Residents are most appreciative of the contact with the Club members and thoroughly enjoy recalling memories of their younger days.
- • The donation for the Hospice, from proceeds of the Swap Meet, will be prepared and presented at the next meeting.
- • A suggestion was made that at the Swap Meet in 2009 a vehicle is used to sell cool drinks to stall holders. Many stall holders are not able to leave their bay and purchase refreshments. This will be a consideration for next year.
- • Jeff Mills displayed a considerable number of photos he had taken at the Brookton Show. Thank you Jeff for sharing some of the exhibits with those members who were unable to attend on the day.
- • Apologies to members who receive newsletters via email. Fred Singleton has had computer problems and consequently the emailed newsletters haven't been sent as yet. This will be rectified as soon as possible.
- • Moondyne Festival in Toodyay on 4<sup>th</sup> May, 2008. Members attending will meet at 8.15am at the Club rooms, for an 8.30am departure, and a 9.30am arrival in Toodyay. Suggested that when travelling in a convoy, all driver's are aware of the car following and keep it in sight.
- • Toodyay Music Festival is to be held on 14<sup>th</sup> September, 2008.
- • The Harley Davidson motorbike is to be given a little TLC. Bruce Sharman is interested in helping with repairs.

**Meeting closed** 9.05 pm

### THE VINEYARD

In a certain area in Italy wine grapes are grown as the basic crop.

Mario, who owned the vineyard, worked it with his two sons, Vincette and Tony.

One day Mario became very ill and a few days later passed away. The law at that time decreed that on the father's death the eldest son, Vincette would inherit the land, a situation the youngest son Tony took exception to as he had worked just as hard for his father as had Vincette.

As a result of the law's decision, Tony went to see the local lawyer to see what he could do. On hearing this Vincette also went to the same lawyer. The lawyer said to Vincette that he could not take his case as he was representing Tony. He said to Vincette, "I will give you a letter of introduction to a fellow lawyer in another town to take your case."

Vincette then took the train to see this lawyer in the distant town, however, on the way curiosity got the better of him and he decided to see what Tony's lawyer had written.

Imagine his surprise when he read, "I am sending a client to you who is in dispute with his brother over some land. As I am representing one brother and you the other, we should be able to make this case drag on for months. By that time the costs will be so great that the eldest brother will have to sell the land to us."

On reading this Vincette hurried home to show his brother the letter and as a result agreed with Tony to go into partnership with him.

Mind you, not all lawyers are as greedy as these two.

*Told to me by an Italian workmate*

### Things you *really* needed to know.....

No word in the English language rhymes with month, orange, silver or purple.

'Dreamt' is the only English word that ends in the letters 'mt'.

There are two words in the English language that have all five vowels in order – 'abstemious' and 'facetious'.

The words 'racecar', 'kayak' and 'level' are the same whether they are read left to right or right to left (palindromes).

There are only four words in the English language which end in 'dous' - tremendous, horrendous, stupendous and hazardous

# National Motoring Heritage Day

“A tribute to Australia’s Motoring Heritage”

Promoted by the Australian Historic Motoring Federation  
and  
Local Motoring Clubs

Sunday 18<sup>th</sup> May, 2008

*National Motoring Heritage Day will be shared with fifteen to twenty students from the Northam Residential College. Club members will meet at the Club rooms at 9.00am for morning tea. We will then proceed to the College and collect the students. Students will be allocated to a club car, and then, as a group, we will drive to Toodyay for lunch (BYO) at the mini railway picnic grounds. The railway will be running. We will return to Northam, as a group, early to mid afternoon. It is anticipated that each student will enjoy a ride in every Club car that is in the convoy.*

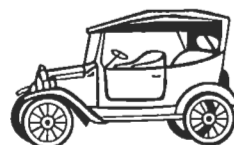

*It is likely that some students from the Residential College will be at the next Busy Bee to help wash Club cars etc in preparation for the National Motoring Heritage Day run the following weekend.*

The Australian Historic Motoring Federation (AHMF) created in 2007 a National Motoring Heritage Day (NMHD). It is now a fixed date on the 3<sup>rd</sup> Sunday in MAY each year.

The objective of the event is to get as many veteran, vintage, post vintage and classic vehicles on the road at the same time throughout Australia to gain publicity for these vehicles, the individual motoring clubs and the events that they run. The target audience is the public and government – local, state and federal. This publicity will highlight to government that the recreation and hobby vehicle movement is a significant force in the community. The event will enhance your chances of gaining new members to your club. Also it is the opportunity to highlight some of the civic and social works undertaken by some clubs. Many clubs have a run or static event on their calendar to assist a charity and this is the ideal time to promote that event both for your club and the charity.

Vehicles maybe anything that moves: motor car, truck, motorcycle, tractor, bus, modified hot rod and in our case in WA, non motorized cycles. Events may range from a simple static display, a cruise, through to an autokhana or tractor pull. The location can be anywhere, but a high profile area is more likely to gain the publicity.
