FROM THE PRESIDENT

Thank you to the members who displayed at the Northam Agricultural Show. FROM THE SECRETARY

The year has gone fast and now we are thinking about the Christmas Party. Leanne Dunn has again offered the Northam Residential College in

Inkpen Street, Northam as the venue. The date is Saturday December 10.

Our 2006 Swap Meet is around the corner so think about helping on the gate or help with the AVVVA stall. The Residential College will provide food as our members need a break from that task.

Some History..... 50 years ago (30.9.55) movie star, James Dean died in a car crash in his 1955 Porche 356 Speedster. Just 2 hours before he received a speeding ticket! He was only 24 years old. Sadly, not much has changed in 50 years and motor vehicle crashes are still the biggest killer of the under 40 age group. Food for thought indeed.

On a lighter note, 50 years ago, a man called Richard Pape from Yorkshire in UK, drove an Austin A90 Westminster from Norway to South Africa, a distance of 17,500 miles. Nobody had every done that before and if you read the book "Cape Cold to Cape Hot" you understand why he nearly died in the Sahara desert in Africa.

Look forward to seeing some you at the coming events.

.Happy Motoring FRED SINGLETON
