## Coolgardie Day Celebrations

Sunday 16<sup>th</sup> September 2007

Many thanks to our members of the AVVVA who attended.

We travelled up to Coolgardie on Friday. The only one bit of trouble was that the Club trailer tyre had to be replaced at Southern Cross by John King. We all arrived on Friday at our destination in Coolgardie and John and Hazel left the Austin and trailer at Wayne Bird's place in Coolgardie for the Sunday event and went onto Kalgoorlie to stay with family. Chris, James and myself, Arthur, stopped at Wayne's house. Chris Alabach is a very good cook and got our tea cooked that night, veggies and all. Thanks Chris. Next day we took a tour walking around Coolgardie. Chris went to Kalgoorlie to visit friends and relations.

Sunday was the big day in Coolgardie with the main street full of things to see and do. John took his Austin in the parade with his granddaughters, Kelsey and Tamsin Collins from Kalgoorlie, who waved rather regally to all! Wayne Bird took his Chev 4 Truck in the parade with Chris Alabach as passenger. It was a very interesting parade with cars from many other Kalgoorlie Clubs as well as motorbikes of all ages and many recreational clubs etc.

John Bourke and Vern Thomas had stationary engines running all day which brought much interest from the public as did all the vehicles.

Members displaying vehicles and engine were:-

Arthur Millea – 1953 Ford Consul

John & Hazel King – 1928 Austin

Chris Alabach – 1976 Ford F100 ute

James Toland – 1949 Austin A70 ute

Randy Scott – 1999 Replica Ferrari

Wayne Bird -- Chev 4 Truck with 6 wine barrels on the back

1972 Dodge truck with a Dry Blower, two old wheels and an old horse sulky on the back.

John Bourke – 1941 Ford truck

Vern Thomas – 1949 Peterbilt Truck

Ian Robertson, John Bourke and Vern Thomas – 14 stationary engines between them

Everyone agreed it was a great day and all keen to go back next year. We all traveled home on Monday.

Thanks again to the members who attended and special thanks from all to Wayne Bird for his accommodation and hospitality.

Arthur Millea

### Koorda Agricultural Show

Saturday 8<sup>th</sup> September was the Koorda Agricultural Show and a couple of AVVVA members took their cars up for display. They were:-

Rex & Chris Downie – 1928 De Soto

John King – 1928 Austin

The cars attracted much attention at the well attended show.

## Thank You

The AVVVA would like to thank Graeme King  
for the donation

of some wheels for the Club's

Austin Sprite

### Visit to Katrine

Sunday 4<sup>th</sup> November  
2.00 pm

Rex and Chris Downie have invited the  
members of the AVVVA to Katrine to  
see their collection of cars.

Afternoon tea will be provided

## THE MAN AND HIS WORK

One Sunday morning in May, club members from the AVVVA came together for a drive to the Park. It was a bit disorganized, some had the time wrong, others did not turn up and no one knew where to go.

However, while waiting in front of the old Railway Station, a utility towing a trailer pulled up. The wreck on the back got everyone's attention. The owner explained it was a 1920 Dodge. Anyone passing by at the time would have referred to it as a heap of junk. The question on everybody's lips, to the owner was, "what to do with it?"

"I'm going to restore it" he said. I put my hands in front of my eyes and thought "What a job".

Then came the surprise – Jeff has started the job already.

He got out of the back of the utility a wheel he had respoked with durable timber. It was a perfect job. To respoke a rim all spokes must be the same, all dowels must fit in the rim and the spokes must have the right taper and angles on the side so when pressed together the dowels fit and the hubpart is flat. The wood must be perfect (Blue gum is ideal) otherwise you make a bad wheel.

After seeing the workmanship on this particular wheel I could see that this man, who has no qualifications in this type of work, has turned out a perfect job and should be rightfully proud of his restoration so far.

The man I am referring to is a member of our Club – Jeff Mills.

After that we travelled to Morby Cottage where Anne Christmass showed us over the oldest house in Northam.

***Shannons are proud to present the 2007 Annual Charity Cruise***

Last year's greatly successful Charity Cruise finished at Hall Park in Mandurah, raising over \$5,000 and 200 assorted toys from the 120 cars and General Public who attended, with the proceeds going to Princess Margaret Hospital Foundation & Starlight Children's Foundation.

This year we hope to better that total with all the money raised going to Telethon.

The Cruise will be held on Sunday 14<sup>th</sup> October 2007 which coincides with the Telethon Weekend. As with last year's event there will be a short cruise to begin the event. This year's event will finish at Whiteman Park, where there will be a sausage sizzle and entertainment for the kids.

To participate, you will be asked to donate a gold coin and or a toy. All proceeds will be donated to Telethon.

This year's event will begin at Carousel Shopping Centre in Cannington. We are meeting in the Fast Eddy's carpark, from 7.30am and will be departing at 9am. Look for the Shannons Flags, where you will receive a goodies bag and directions for the short cruise to Whiteman Park. Clubs are encouraged to park as a group and are advised to leave Cannington and arrive at Whiteman Park in one group for ease of parking.

Please register you club's interest and attending numbers by September 30.
