8.00pm AT THE CLUBROOMS FITZGERALD STREET NORTHAM

The following Articles/Editorials are published as received and are not necessarily the views of the AVVVA. Deadline for articles: Last day of the month

FROM THE PRESIDENT

AA small group of members travelled down to the Beverley Show on August 21 and met with fellow members already assembled on the oval, making a great display of vehicles and stationary motors. After some light rain it fined up in the afternoon to make a pleasant day out.

We are now into the busy time of the year with the Northam show on September 18. Hopefully we will be in the same area as last year with entry from the Northey Street gate. Keep an eye on the Coming Events for events in your area that you would like to attend.

MEMBERSHIP IS NOW DUE

FROM THE SECRETARY

It has been a hard slog for two of our "senior" members this month, delivering 80 Newsletters around the Northam townsite. The repeated call for volunteers seems to have had little response. The only option is to have the following motion voted on at the September meeting.

MOTION: "Any AVVVA member needing a printed copy of the Newsletter to pay a fee of \$5 per annum to cover postage & Printing costs. To be effective from October 1 2004 for new members and with the June 2005 membership for all existing AVVVA members. (Those members who get the Newsletter via the Web page will not pay the additional fee)"

This will enable ALL Newsletters delivered by hand to be sent by post. (Note: With our membership at \$25 our club is cheaper than most Car Clubs and half the fees of several Car Clubs in WA !)

Also, on Concessional Licence, I have now put a page on the Website (see membership section: www.avonvintagecars.org.au) and I will print this page in the October Newsletter. I have asked the CMC for an update of the booklet on Concessional Licence (first printed March 2003). This will make this information available to all our membership in a simple and easy format.

At the time of printing this Newsletter your AVVVA Committee has no location for our display at the Northam Show. More details at the September meeting.

Happy Motoring

FRED SINGLETON.....Past Secretary
