Reports:

Shed; report by Allan Hicks

All going okay with the Ford 'A'

The Morris – John King and Bruce Sharman managed to find a gear stick from another Morris.

Now working on site, yet to be trialed elsewhere.

Re Busy Bee on 21st – discuss in general business.

Allan has completed slabbing of the path to the platform today. The space left had created a problem.

Next Door; report by Jim Donovan

The rooms have been allocated – Historical Society 3 rooms, Avon Valley Arts 1 room, Migrant History 2 rooms, Earth Solutions 1 room, entry as is, 1 storage room and the 10th Light Horse will have a place with all its peripherals, photos and displays. There will be a list of responsibilities, these will be reviewed annually for a few years then bi-annually. The name of the area will be close to – Cultural Heritage Precinct.

Events; report by Fred Singleton

Grass Valley event to Ted Leagus, lunch at Grass Valley Tavern, and Bert & Angie Hayes, was very good and well attended, born out by the photos in the newsletter.

York Motor Show although good was not very well attended by members of all groups. This was of course because of the impending bad weather.

Westonia Gold Centenary - very well attended, and this by more than our Club. Good Show overall and a credit to a small town.

Classic Touring to Kalgoorlie, starts next weekend, 28th as per newsletter. Attendance needed by as many members as possible at the start at or before 12noon, to send them on their way.

VAA & VCC (as reported by J Mills) had a joint day 17/8/10, first to Midland Workshops, then a photo shoot, then various areas in the Swan Valley.

Rest of the report from Fred was moved to general business. This time of Year becomes very busy.

Moved; Theo Bekkers (jnr) Seconded; Sandra Ferguson .. that all reports be accepted.
Carried.

New Members:

We welcome KINGSLEY SMITH to the Club. Kingsley is from Boulder and has a 1957 250cc BSA and 2 unrestored Lister engines, 1952/54.

General Business:

NHMA Machinery cards (numbered), Fred will distribute and post these out to relevant members.

Beverley Show 21/8 – very few starters due to the election and busy bee. A Hicks will advise A Millea.

Busy Bee 21/8 - after discussion, Allan & Sandra advised, whoever could turn up, it would be fine.

Classic Run 28/8 - 4/9 - once again it was stated that some of members will be joining this run at Northam at Bernard Park. If possible, it would be good to see other members turn up before midday to see them off.

York Show 4/9 - this year is at the racecourse due to renovations at previous venue used.

Midland Workshops, Annual Steaming Day 5/9 - 8am – 10am breakfast, \$10ea, rsvp for this. No decision made as to starting point for AVVVA members attending.

Machinery day – of great interest to Fred Plane

Club run 12/9 - relative short day to Emu Farm, Bruce Sharman's and Bee Happy Honey Farm, Toodyay. Numbers needed for lunch catering. 9.15am start from Clubrooms.

Bindoon/Guilderton Run 25 & 26/9 - this is a long weekend, the Bindoon museum & John Ivey's on the Saturday, then the Guilderton Fair on the Sunday. Members can choose to go either day or

go on both days, making own arrangements for accommodation if needed. 2 or 3 nights stay may be required at Guilderton, Gin Gin seemed okay with overnight. Dave Lucas will open the Bindoon museum for us, and Fred confirmed that John Ivey's property was well worth a visit. The Austin Club are also going and may join us at Bindoon.

Northam Recreation Centre - availability for Club Swap Meet Feb. 2011. Hope to know by October, although need to know earlier for Flyers etc. John King and Fred Singleton to check on status.

Motor projects etc – enquiry from Theo Bekkers (snr). Jeff Mills not finished brackets or painting quite yet. Stan reported head is off motor and studs out (all with a little difficulty), and the condition of the bore looks good.

Name Badges - When Jeff Mills returned home from VCC/VAA run on 17/8 he found he was left with the pin only of his badge, this with a badge size clear film on it. 10 others checked out okay. Sylvia will contact manufacturer regarding same. A further order for Name Badges will be sent in next few days.

Newsletter – Fred commented on the extra thickness of the Newsletter. One reason, as discussed earlier, there is so many events on this time of the year, on average, almost fortnightly, so events took up some space. Then there were the AGM Minutes as well as the General Meeting Minutes. September may be late due to Fred being away, unless the Reports and Minutes can be sent to Theo by Tuesday 24/8.

Permission – was granted for John King to use his Austin on 25th August for the HeartKids WA function. A request for the loan of the Club urn was also granted for the same function.

There being no further business the meeting closed at 9.15pm.

Next General Meeting on Thursday, 16th September, 2010 at 8.00pm, in the Club Rooms
Next Busy Bee on Saturday, 18th September, 2010

Venus is the only planet that rotates clockwise.

(Since Venus is normally associated with women, what does this tell you ? That women are going the 'right' direction...?)

Apples, not caffeine, are more efficient at waking you up in the morning .
