"BROOKTON OLD TIME MOTOR SHOW - 24TH MARCH 2018

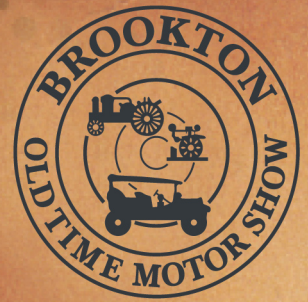

The Committee of the Brookton Old Time Motor Show are excited to announce the date of the next Old Time Motor Show – March 24th 2018. We have many of our experienced committee members still involved as well as some new and enthusiastic members to ensure we have a vibrant and well organised Motor Show.

Our theme will be "The Best of British... Pistons & Polish" which will be of great interest to our participants, visitors and locals. The Old Time Motor Show is a family friendly event and will have many displays, educational and interractional items, including some of which are free. We also have musical entertainment, food and drink stalls. Come along and have a great family day outing, a weekend away with your Club or bring your vehicle/motor items to display. There will be camping and caravan sites available. We will be writing in the next few months to let you know re the registrations.

**DON'T FORGET TO PUT ON YOUR
